Notre mission

LightUp Toys s'engage à améliorer la vie des enfants moins fortunés partout dans le monde. Une partie des recettes des ventes de nos produits Bubble Wand et Bubble Sword est spécifiquement destinée à parrainer une aide qui change la vie dans les orphelinats, les refuges pour sans-abri et les missions des employés visant à aller personnellement faire une différence dans la vie de ces enfants. Nous sommes tellement reconnaissants pour votre entreprise qui nous aide à atteindre notre objectif de :

Transformer l'industrie des attractions Pour transformer le monde !
